POSITION

Assistant and Associate researcher

WORK EXPERIENCE

September 2017 – present

Assistant at Department of Chemical technology of building materials

Ukrainian State University of Chemical Technology
Gagarin avenue, 8 Dnipro, 49005, Ukraine <http://udhtu.edu.ua>
Business or sector Education, science

November 2015 – present

Associate Researcher at Department of Chemical technology of Ceramics and Glass

Ukrainian State University of Chemical Technology,
Gagarin avenue, 8 Dnipro, 49005, Ukraine <http://udhtu.edu.ua>

As an Assistant:

- lecturing "Chemical technology of special types of high-melting non-metal materials products"
- laboratory sessions "Mechanical equipment in chemical technology"

As an Associate Researcher:

- Scientific research is devoted to the development of design methods of compositions of oxidic glass with the set complex of properties and the development of glass on the basis of these methods for receiving glass enamel and glasscrystalline electroinsulating covers for film heating components and inductors made of aluminum, copper and steel correspondingly
- Investigation of basic regularities of formation of coatings on steel, aluminum and copper.
- Writing articles and patents

Business or sector Education, science

EDUCATION AND TRAINING

07.04.2016

Doctor of Philosophy (PhD) at Chemical technology of high-melting non-metal materials

Title of dissertation "Glass enamel and glasscrystalline electroinsulating covers for non-ferrous metal products"

Department of Chemical technology of Ceramics and Glass, Ukrainian State University of Chemical Technology
Gagarin avenue, 8 Dnepropetrovsk, 49005, Ukraine <http://udhtu.edu.ua>

November 2012 – October 2015

Postgraduate student

Department of Chemical technology of Ceramics and Glass, Ukrainian State University of Chemical Technology
Gagarin avenue, 8 Dnipro, 49005, Ukraine <http://udhtu.edu.ua>

September 2007 – May 2012

Student (Master's degree - researcher, teacher of a higher institution, engineer-technologist)

Department of Chemical technology of Ceramics and Glass,
Ukrainian State University of Chemical Technology
Gagarin avenue, 8 Dnipro , 49005, Ukraine <http://udhtu.edu.ua>

PERSONAL SKILLS

Mother tongue(s) Ukrainian, Russian

Other language(s) English (Beginner)

Communication skills

- good communication skills

Job-related skills

- Hardworking and inquisitive
- Confident user of various MS Windows, MS Office, MathCad 14, Statgraphics Centurion XV.
- Creating and editing graphic and video materials
